

TECHNICAL REQUIREMENTS: TANGLED UP!

FLOORSPACE:

- A flat, clean and even stage, covered with black dance floor (unless otherwise agreed in advance).
- Min 9x9 metres (Ideal 10x10).

AUDIENCE:

- In full circle ideally, but any arrangement possible.

TECHNICAL SET-UP needs:

- Arrival the day before, or the same morning, if the first presentation is at 15:00 or later. (We need a parking spot nearby.)
- We would need a volunteer to help us set up the aerial rig

SOUND and LIGHT SYSTEM:

- Access to electricity grid.
- 1 sound table with a mini-jack connection, and a sound system of min. 4 speakers
- A table to place our laptop onto.
